Sprawling and loud with a furious energy, India’s largest city contains some of the grandest colonial-era architecture on the planet, as well as unique bazaars, hidden temples, hipster enclaves, and India’s premier restaurants. Five-star hotels live side-by-side with some of Asia’s largest slums, and brand-new Mercedes weather the traffic alongside cow-pulled carts. Before joining the city’s frenetic pace, cruise to Elephanta Island and climb the stone steps leading to an awe-inspiring cave complex of elaborately carved shrines and sculptures. Afterwards, get ready to pound the Mumbai pavement on a tour that’s both a little crazy and entirely captivating.
