Few cities match the seductive allure of Rio de Janeiro. Between its forested mountains, shimmering beaches, and fun-loving reputation, it's hard not to fall under Rio's spell. Your journey begins beside the sultry sands of Ipanema Beach and takes you up Corcovado Mountain, where one of the world's most unmistakable landmarks watches over the city—Christ the Redeemer. Not many get a close look at this monumental work of art, heralded among the New Seven Wonders of the World, but you will, and standing atop Corcovado, you'll share panoramas of Rio and the surrounding Tijuca Rainforest that defy description.

**All Passport details should be confirmed at the time of booking. Sales of this program close 90 days prior: book early to avoid disappointment, as space is limited.**

### DAY-BY-DAY ITINERARY

#### Day 1

Arrive in Rio de Janeiro. Your guide will meet you at the airport and escort you to your hotel along the shores of

legendary Ipanema Beach. Check in and enjoy the rest of the afternoon to relax on the soft sands or stroll along the waterfront, lined with local eateries, lively bars, and luxurious boutiques. Take advantage of the free time and embrace the sun-soaked charms of Rio.

## Day 2

After breakfast, head to Corcovado Mountain and board the famed Cog Train for the winding ride up the steep slopes. At the summit waits Rio's iconic statue—Christ the Redeemer. Stand before this awe-inspiring work of art and listen as your guide provides insight on its history. Constructed in 1931 from concrete and sandstone, it was named one of the New Seven Wonders of the World in 2007. Equally impressive are the views of Rio, the blue ocean, and forested mountains that spread out before you. Take it all in before heading back down Corcovado and returning to your hotel.
