

June 2024

Dear Azamara Guest,

We hope this email finds you well and eagerly anticipating your upcoming voyage aboard the **Azamara Quest®** on **May 1st, 2025**. We appreciate your choice to sail with us and would like to inform you of an update to your itinerary.

Due to limited port availability, our scheduled visit to **Koper, Slovenia** on May 2, has been removed from the itinerary, and we will now be visiting **Piran, Slovenia**.

Piran, a charming coastal town in Slovenia, offers a rich blend of history, culture, and natural beauty. You can immerse yourself in the scenic landscapes of the Istrian Peninsula, known for its excellent climate and soil, by visiting a beloved organic winery. Through our excursions you will be able to meet the family owners, learn their production techniques, and sample their exquisite wines. Your experience continues with a local truffle hunter showcasing his skills, followed by a traditional Istrian lunch featuring wine and truffles. From Piran, you can also enjoy an excursion to Ljubljana, Slovenia's capital, exploring its medieval streets, baroque architecture, and vibrant markets, before a tranquil riverboat ride along the Ljubljanica River. Additionally, you will be able to stroll through Piran's historic center and visit a renowned winery, learning about the region's winemaking traditions and history, and culminating in a delightful wine tasting session.

We sincerely apologize for any inconvenience caused by this itinerary change. Due to these adjustments, there will be slight time differences on a few of the tours. However, rest assured that the tours themselves remain the same in terms of content and quality. There is no need for any cancellations, our team will simply move your booking to the new tour code that corresponds to the updated schedule.

We want to thank you for your understanding and flexibility as we strive to ensure that your cruise experience with Azamara is nothing short of memorable.

Should you have any questions or need guidance of what you can explore in any destination please contact your Travel Advisor or visit <https://www.azamara.com/contact-us> for your local Azamara call center number.

Sincerely,
AZAMARA®

The revised Itinerary can be viewed below.
