

AZAMAZING CELEBRATIONS 10 YEARS

A DECADE OF AZAMAZING CELEBRATIONS

We're excited to reveal that after 10 successful years, AzAmazing Evenings is now evolving to AzAmazing Celebrations! To provide our guests with more unique and exclusive events, we are expanding our portfolio beyond evening events and offering new, day celebrations onboard and onshore.

To honor our 10th anniversary, we're adding over 35 new celebrations in the most spectacular ports so our guests can continue to immerse themselves in the local customs and traditions.

Enjoy an enriching performance that showcases the history of the Amazon, from indigenous civilizations to the Brazilian carnival in Manaus. Travel back to the Renaissance era in Livorno for an exclusive showing of La Traviata, a beautiful Italian opera featuring one of the most iconic, and tragic scores of all time. Delight in a private light and sound show performed by a local jazz ensemble band, with the wonderful Adelaide city skyline as a backdrop. No matter the voyage, these unapparelled experiences will be the highlight of your trip.
