The Anton Anderson Memorial Tunnel that connects Whittier Cruise Ship Terminal to the main highway operates on a timed schedule, with openings for one-way traffic **each hour, alternating directions**. This means vehicles can only enter or exit Whittier Cruise Ship Terminal at specific times, typically at the hour. This timing is crucial for travel plans, especially for cruise guests, because if you miss your scheduled tunnel opening, you may need to wait until the next hour for another chance to pass through.

If you've purchased a pre-hotel package for your cruise departing from the Whittier Cruise Ship Terminal, your designated transfer **pick-up time is set for 10:00 a.m.** This transfer will help ensure you arrive at the terminal in time, accounting for the tunnel schedule and any potential delays.
