

The information in this document is accurate as of November 2, 2023 and may be subject to eventual changes. The countries listed below are the countries we visit on our itineraries. We recommend that the passport is valid through six months after the end of the voyage and several countries will require six months validity for entry. When applying for a pre-arranged visa, please verify the itinerary of your cruise. If there are multiple visits to the same country for which you require a visa on the itinerary, you may require a multiple-entry visa. Please ensure to include this information in your visa application to ensure you are issued a correct visa. For COVID-related information, please visit our Explore Well at Sea page (<https://www.azamara.com/booked-guests/before-you-board/explore-well>). Please refer to the official government websites to access the most up-to-date information.
